

ALMAWAVE TO PARTICIPATE IN THE "MID & SMALL 2021" VIRTUAL CONFERENCE ON 15 JUNE

Rome, 9 JUNE 2021 - Almaxwave S.p.A. (Ticker: AIW), an Italian company listed on the AIM Italia multilateral trading system and leader in Artificial Intelligence (AI), natural language analysis and Big Data services, on Tuesday 15 June, will participate in the "*Mid & Small 2021*" conference organised by Virgilio IR and sponsored, amongst others, by Banca Akros.

Participation in the event demonstrates the commitment and perseverance that Almaxwave's senior management has been dedicating, with monthly participation in financial conferences, to knowledge and dialogue with market players, be they shareholders or new stakeholders, since the IPO in March. The meetings, which will be held virtually, will be attended by Almaxwave's **CEO, Valeria Sandei**, **Almaxviva's Group Chief Financial Officer, Christian De Felice** and **Chief Technology Officer Raniero Romagnoli**.

The abstract of the presentation will be available on the Almaxwave website at www.almaxwave.it in the Investor relations section.

Almaxwave profile

Almaxwave S.p.A. is a leading Italian company in Artificial Intelligence and the analysis of natural written and spoken language. Almaxwave has cutting-edge proprietary technologies and applied services to realise the potential of AI in the digital evolution of businesses and public administrations. It has an international presence with the companies Almaxwave do Brasil, Almaxwave USA and PerVoice. It has dedicated technology laboratories and over 220 professionals with strong skills in enabling technologies and main frameworks - Big Data, Data Science, Machine Learning, AI Architectures and Integration - as well as extensive knowledge of business processes.

Almaxwave's technological assets, designed and implemented as a model of natural experience in the interaction between man and machine, enable the interpretation of text and voice in over 30 languages, interaction in a multi-channel key and the analysis of data and information with a view to enhancing knowledge and automation. The company, which is part of the Almaxviva group, was founded as Almaxviva Consulting S.r.l. and later took on the name of Almaxwave in 2010, the year in which it also launched its Brazilian subsidiary (Almaxwave do Brasil). In 2013, it acquired control of the company PerVoice S.p.A., created as a spin-off of Fondazione Bruno Kessler. In 2017, together with Almaxviva and other partners, it won two lots in the Consip tender for the public connectivity system. The company has over 100 customers and more than 30,000 users of its platforms.
