

ALMAWAVE APPOINTS NEW CFO

Rome, 10th September 2021 - Almaxwave, an Artificial Intelligence (AI), natural language processing and Big Data services leader listed on the AIM Italia (Ticker: AIW) multi-lateral trading system, today announces the appointment of Antonello Gresia as Chief Financial Officer (CFO) and Investor Relations Manager (IRM) of the Almaxwave Group.

Born in 1975 and Group Credit Director in the parent company Almaxviva since 2012, Gresia's background includes significant experience in administration, finance and control in multinational companies, both in Italy and abroad, including Geox, Safilo, Accenture and UPS.

The appointment of Antonello Gresia is part of the strategic process of strengthening the organisational structure of the Almaxwave Group.

Until now, the position of CFO has been held ad interim by CEO Valeria Sandei, and the position of IRM by Luis Guillermo Bergter.

The Chief Executive Officer of Almaxwave, Valeria Sandei, stated: *«I am delighted to welcome Antonello Gresia to Almaxwave, with whom I am sure the company will continue its path of growth and dialogue with the market. I would like to express my heartfelt thanks to Christian De Felice, Almaxviva Group CFO, who has constantly supported me along the way, and also to the team that has supported me in my interim role as CFO during these six significant months for Almaxwave, which began with the IPO process and continued with great satisfaction on the capital markets. At the same time, thanks also to Luis Guillermo Bergter, who has coordinated the Investor Relations activities and will continue to carry out his role as Head of Strategic Planning and IR Manager of the Almaxviva Group».*

The entrance in Almaxwave of Antonello Gresia is effective immediately.

Almaxwave profile

Almaxwave S.p.A. is a leading Italian Artificial Intelligence and written and spoken natural language processing leader. Almaxwave leverages cutting-edge proprietary technologies and applied services to deliver upon the potential of AI as enterprises and the public sector evolve digitally. An international focus is provided by Almaxwave do Brasil, Almaxwave USA and PerVoice. The Group has dedicated technology laboratories and over 220 professionals with significant expertise of enabling technologies and the main frameworks - Big Data, Data Science, Machine Learning, AI Architecture and Integration - in addition to broad business process knowledge.

Almawave's technological asset base, conceived and built as a model of natural experience in the interaction between man and machine, can interpret text and voice in over 30 languages, interacting in multi-channel mode, analysing data and information with a view to knowledge development and automation. The company, part of the Almaviva Group, was established as Almaviva Consulting S.r.l. and thereafter became Almawave in 2010, the year in which its Brazilian subsidiary (Almawave do Brasil) began operations. It acquired control of PerVoice S.p.A., a spin-off of the Bruno Kessler Foundation, in 2013. In 2017, together with Almaviva and other partners, it was awarded 2 Consip public connectivity system tenders. The company has a customer base of over 100, with more than 30 thousand users of its platform.
